Automatic Bill Payment ~ Water EZ paY

The City is ready to help make your bill paying easier. You can take care of your monthly water bill quickly and easily by arranging for it to be paid automatically through your checking account, even if you are on vacation. No checks to write, no stamps to buy, no envelopes to lick. This free service, nicknamed "WEZY", is ready for you! Here is how it works:

If you are a current residential or business customer, you can apply for "WEZY" by filling out this agreement and returning it to the address above. **Be sure to include an original, voided check with your application.** If you have multiple water bills you can sign up for all of them, even if they are not billed on the same day of the month. Please complete a form for each account, but one voided check will be adequate.

You will continue to receive your itemized monthly water and sewer bill, if applicable, for your records. This way you can review your usage and account transactions monthly, as usual. And of course get our newsletters.

Your checking account will be automatically debited for the charges shown on your bill, on the due date.

Try it! You may change your bank account information or cancel your participation in "WEZY" at any time.

Unhonored Bank Debits (i.e. the equivalent of a returned check) will be added back to your water account along with any Bank processing fees plus an Insufficient Funds fee, to recover the added bookkeeping and processing costs. If more than one Bank Debit is returned this authorization will be canceled.
